UITP Asia-Pacific Study Tour to Beijing, China, 27-30 October 2008

We are pleased to invite you to Beijing, the host of the Olympic Games in 2008, to see and learn its latest developments in public transport. Three more metro lines, including the Airport Line, Line 10 and the Olympic Branch Line, plus three more Bus Rapid Transit (BRT) systems will be put into operation before the Games. Thanks to the support from Beijing Municipal Committee of Communication, Beijing Public Transport Holdings, Ltd and Beijing Mass Transit Railway Operation Corp. Ltd., delegates will be able to visit the Beijing Olympic venues, BRT and the metro systems. The program is enclosed for your perusal.

As the number of participants is limited, I encourage you to register as early as you can. The deadline of registration is 1 September 2008. If you are interested to join us, please complete and return the enclosed registration form to the UITP Asia-Pacific Regional Office in Hong Kong.

Thank you very much and we look forward to seeing you in Beijing!

Yours sincerely
