UITP Photo Award

Dear UITP Members,

2009 marks the 10th anniversary of the UITP Human Resources Commission and Corporate Management Commission as independent working bodies.

During this conference, we will celebrate the renewal of our commitment to working together in order to bring excellence to our day to day business as a means to better serve our societies.

The idea of a photo exhibition and contest is challenging for all of us and will present, with one picture, the essence of the Service Relation between a member of the staff and a customer.

We look forward to discovering your proposals.

RELATION OF SERVICE BETWEEN STAFF AND CUSTOMER

With one picture, present a good example of the relation of service.

The picture must present at least one member of the staff and one customer.

Step 1:

Send us one picture – the one that best define the essence of the relation of service.

Step 2:

Visit the exhibition in Bremen – put together, all those individual snapshots will offer a unique portrait of our profession in 2009.

Step 3:

The audience will vote for the best picture amongst the pictures nominated by the Conference Programme Committee. The winner will illustrate the cover of the PTI that will be distributed during the UITP World Congress in Vienna.

Choosing THE picture!

UITP members are free in the way to select the picture they wish to present to the contest: digging up in recent archives, contracting a professional photographer...

However, why not seizing the opportunity and reaching out to your staff or customers? Ever wished to know how THEY view YOUR service? Ask them to picture it and organize your own in-house contest!

AFTER the vote....

All the pictures submitted will be at the disposal of UITP Members. Why not organise YOUR own exhibition in your headquarters, a station...
