Dear Members,

**Invitation to the UITP Asia-Pacific “Symposium on Public Transportation in Indian Cities with special focus on Bus Rapid Transit (BRT) System” 20-21 January 2010
India Habitat Centre, New Delhi, INDIA**

On behalf of UITP, I am pleased to invite you to the UITP Asia-Pacific “Symposium on Public Transportation in Indian Cities with special focus on Bus Rapid Transit (BRT) System” being organised at New Delhi on 20-21 January 2010 hosted by Delhi Integrated Multi Modal Transit Systems (DIMTS) Limited, Delhi.

The objectives of the symposium is that majority of million plus cities in India are facing serious problem of congestion and pollution. The solution would be a cost effective and efficient public transport system. Bus Rapid Transit (BRT) Systems is recognised as a cost effective mass transport system that can be implemented quickly and can provide effective and high quality public transport services in urban areas. Symposium hopes to address the issues such as public transport modes, its integration, promoting NMT in a holistic manner with special focus on various aspects of BRT systems as this system has been recognised as one of the most effective methods in promoting public transport throughout the world.

This event is open to the members and non-members. Seats are limited and will be on first come, first served basis. Please send the completed registration forms to the UITP India Liaison Office, Bangalore on or before 15th January 2010.

We look forward to seeing you in Delhi!

Yours sincerely,

EUM Sung Jick
Chairman, Asia-Pacific Division
UITP
