International Conference:

IT-TRANS: IT solutions for Public Transport (Karlsruhe, 13-15 February 2008)

• Welcome Addresses

Roberto Cavaliere, UITP President, Amministratore Delegato, MET.RO S.p.A. Rome, Italy

Siegfried König, Vice-Mayor of Karlsruhe, Germany

Gerald Böse, Managing Director, KMK, Karlsruhe, Germany

• Keynote Speeches :

Theory of Threats and Precautions. RFID-Technology and classification, security attacks, technical guideline TR-RFID eTicketing ([Biographical note](#) - [PowerPoint](#))

Markus Ullmann, Head of Section scientific foundations, Federal Office for Information Security, Bonn, Germany

Keynote Speeches : Practical Issues of Risk Management.

Balance between cost and security, impact of recent attacks, real crime issues and ways to counteract ([Biographical note](#) - [PowerPoint](#))

Frederic Levy, Managing Director, SPIRTECH, Paris, France.

Market Update Forum 1 (Top)

Moderator: André Niemegeers, Director Knowledge and Membership Services, UITP, Brussels, Belgium

• An up-date drawn from the experiences of MasterCard PayPass™ in Transit applications ([Biographical note](#) - [PowerPoint](#))

Adam Gluck, Vice President M/Chip Product Management, Global Chip Business Group MasterCard International

• BAIM: Information for people with reduced mobility in the field of public transport ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))

Dr. Volker Sustrate, Managing Director and Partner, HaCon Ingenieurgesellschaft mbH, Hanover, Germany

Market Update Forum 2 (Top)

Moderator: Brigitte Ollier, UITP-EuroTeam Director, Brussels, UITP, Belgium

- Full functional and data integration for a viable public transit software solution ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))
Pierre Malo, Deutsche Vertretung GIRO, Berlin, Germany
- Customized learning solutions for public transportation services ([PowerPoint](#))
Martin Ahrend and Luzi Anderegg, CEOs, Ahrend-Anderegg Consulting (A2-C), Schaffhausen, Switzerland
- Actual Multimodal Passenger Information - One Integration Platform for all connected Systems (based on VDV) ([Biographical note](#) - [PowerPoint](#))
Volker Harder, Head of Sales, Funkwerk IT, Germany

Session 1: From fare management to INTEROPERABLE Fare Management (IFM) (Top)

Moderator: Jarl Eliassen, UITP Chairman of the Information Technology & Innovation Commission, Managing Director, Trafikanten AS, Oslo, Norway

Unlocking savings and customer benefits in fare collection: a view from London ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))
Lauren Sager Weinstein, Head of Oyster Development, Transport for London (TfL), London, UK

Achieving the integration with the Greater Tokyo Region and beyond ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))
Satoshi Katagata, Deputy General Manager, East Japan Railway Company, Tokyo, Japan

Greater Toronto Area case study - Multi-operator regional fare system: setting up fare and business rules for e-ticketing ([Biographical note](#) - [Abstract](#) - [Full text](#) - [PowerPoint](#))
Gerard Najman, Business Development Director, Thales Transportation Systems, Bretigny-sur-Orge, France

Fare Policies in the E-Ticketing Era ([PowerPoint](#))
Marc Streeting, Principal, BOOZ ALLEN HAMILTON, Brisbane, Australia

Workshop A: European Union (Top)

Moderator: Brigitte Ollier, UITP-EuroTeam Director, UITP, Brussels, Belgium

- CEN process and some of its activities ([PowerPoint](#))
Jean-Laurent Franchineau, Directeur du Dépt. Direction Recherche, (DRIM), VEOLIA TRANSPORT, Paris, France
- Intermodal travel and the 'Last Urban Mile' ([Biographical note - Abstract - PowerPoint](#))
Dr. Jörg Last, Managing Partner, STRATA GmbH - Data and Information Management, Karlsruhe, Germany

Workshop B1: UITP Regions - Turkey (Top)

Moderator: Süleyman Açıkbaz, Electric-Electronic Installations Manager, Istanbul Ulasim A.S., Istanbul, Turkey

- Lessons learned & experience gained in transition to efcs in turkey ([PowerPoint](#))
Melhi Agusman, Executive Vice General Manager, EAS, Istanbul, Turkey
- IT Usage at public transport in Turkey ([PowerPoint](#))
Güliz Öztürk, International Marketing Manager, Kentkart Ege Elektronik Ltd, Istanbul, Turkey
E Due to a technical problem, it was not possible to show the videos included with this presentation. Please note that they are available in Mobi+ (UITP's E-library). Please accept our apologies for the inconvenience caused
- Electronic Fare Collection System in Istanbul ([PowerPoint](#))
Ahmet Kazokoglu, General Manager, Belbim, Istanbul, Turkey

Workshop B3: Regions E-Ticketing Integration (Top)

Moderator: Yves Amsler, Secretary General's Projects & Development Advisor, Expert (RATP, France), UITP, Brussels, Belgium

- IFM Project and the UITP IFM Forum ([PowerPoint](#))
Yves Amsler, Secretary General's Projects & Development Advisor, Expert (RATP, France), UITP, Brussels, Belgium
- ITSO Yorcard ([PowerPoint](#))
Andy Jebson – UK Sales Director of Scheidt & Bachmann UK Ltd., UK
- Advantages of integrated telemetry and ticketing systems. ([PowerPoint](#))
Martin Pe•ar, Research & Development, Telargo d.o.o., Ljubljana, Slovenia

Session 2: Information technology in security and privacy (Top)

How Moscow uses the introduction of e-ticketing to combat fraud and fare evasion ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))
Olga White, Managing Director, Smart Technologies Group, Moscow, Russia

E-ticket distribution via internet / high security standard – low cost equipment ([PowerPoint](#))
Nils Zeino-Mahmalat, Verkehrsverbund Rhein-Ruhr, Germany

Extracting Value from Your Most Important Intangible Asset ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))
Andreas Altmann, Client Solution Advisor, SAP, Walldorf, Germany

CCTV surveillance and other security enhancing equipment on the Italian survey ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))
Guido del Mese, General Manager, ASSTRA, Rome, Italy

Workshop C: Nordic Countries (Top)

Moderator: Jarl Eliassen, UITP Chairman of the Information Technology & Innovation Commission, Managing Director, Trafikanten AS, Oslo, Norway

- Merging the Oslo underground network with the surface traffic into one seamless RTPI system ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))
Vidar Brøto, Senior Consultant, Rail-X as, Oslo Norway
- Intermodal journey planning – collecting the data is just the beginning ([Biographical note](#) - [PowerPoint](#))
Gerhard Wennerström, Managing Director, Samtrafiken, Stockholm, Sweden
- System Integration in a Virtual Organisation. Examples from Scandinavian transport authorities. ([Abstract](#) - [PowerPoint](#))
Stefan Fjällemark, Evangelist, Högia Public Transport Systems, Stenungsund, Sweden

Workshop D1: Germany - Austria – Switzerland (Top)

Moderator: Berthold Radermacher, Fachbereichsleiter Normung, Forschungs-koordination und VDV –Industriekontakte, VDV, Köln, Germany

- The development of e-ticketing in Austria ([Biographical note](#) - [PowerPoint](#))
Manfred Novy, Geschäftsführer, Verkehrsverbund Ost-Region (VOR), Vienna, Austria

- The activities of radio-based passenger information systems for visual impaired persons ([Biographical note](#) - [PowerPoint](#))
Walter Meier-Leu, Senior Consultant, Weisskopf Engineering AG, Schaffhausen, Switzerland
- Possibilities to re-finance the information systems by integrating advertisements ([Biographical note](#))
Reinhard Wartenberg, CEO, Trend Network, Potsdam, Germany

Workshop E1: Italy / Mediterranean (Top)

Moderator: Daniela Carbone, Manager of Technological Innovation Department, ASSTRA, Rome, Italy

- Technological Systems for the mobility: result of the surveys ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))
Daniela Carbone, Manager of Technological Innovation Department, ASSTRA, Rome, Italy
- A new integrated telematic platform to manage private and public transport: an application in Italy ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))
Giovanni Corona, President, CTM S.p.A. Cagliari, Italy
- Case Study of Torino ([Biographical note](#) - [PowerPoint](#))
Giovanni Eandi, Responsible of GTT-AVM, GTT S.p.a., Torino, Italy

Workshop F: France (Top)

Moderator: Anne Meyer, Chef du Département "Clientèles, Exploitation et Recherche", Union des Transports Publics et Ferroviaires, Paris, France

- Mobitag: the customer service on mobil phone ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))
Jean Terrier, Directeur Innovation Métiers Produits, Transdev, Issy les Moulineaux, France
- Technology working for the passenger ([PowerPoint](#))
Jean-Laurent Franchineau, Directeur du Dépt. Direction Recherche, (DRIM), VEOLIA TRANSPORT, Paris, France
- The introduction of the navigation in the Public Transport ([PowerPoint](#))
Jean-Claude Degand, CEO, Moviken, Champs sur Marne, France
- IT for all! ([Abstract](#) - [PowerPoint](#))
Hervé Anvrouin, Project Manager - IT -Ticketing, Transpole, Lille, France

Market Update Forum 3 (Top)

Moderator: Arno Kerkhof, Division and Commission Senior Manager, UITP, Brussels, Belgium

- Travel Account (CTA) – From vision to implementation (Biographical note - Abstract - PowerPoint)

Arnstein Egan, Manager, International Business, FARA ASA, Norway

- Real-time information in journey planners with the example real-time information for Brandenburg (Biographical note - Abstract - PowerPoint)

Michael Frankenberg, Head of Departement, Project Manager, HaCon Ingenieurgesellschaft mbH, Hannover, Germany

Market update Forum 4 (Top)

Moderator: Constantin Dellis, Manager - Eurasia, UITP, Brussels, Belgium

- Stockholm's Wireless@SL pilot: Bringing connected public transit applications together (Biographical note - PowerPoint)

Åke Lindström, Senior Project Manager, AB Storstockholms Lokaltrafik, Stockholm, Sweden

- Innovations in communication systems for RTP1

Paul Gwynn, Business Development Manager – Transport, Tait Europe Ltd, Huntingdon, UK

Session 3: Innovation and inspiration (Top)

Chair: Frithjof Struye, UITP Chairman of the Information Technology & Service Industry Committee, Director Business Development, Scheidt & Bachmann, Mönchengladbach, Germany

- Enhanced Digital maps allowing Multi Modal Transport Navigation.

(Biographical note - PowerPoint)

Linde van de Velde, Project Manager Strategic Research, Tele Atlas, Gent, Belgium

- Google: worldwide travel planner that you can simply plug into for free

(Biographical note - Abstract - PowerPoint)

Florence Diss, Strategic Partner Development, Google, Paris, France and Christoph Oehler, Product Manager, Google, Zurich, Switzerland.

- Chatbots and Interactive agents (Biographical note - Abstract - PowerPoint)

Sjoerd van Dijk, managing director, Ecreation, Woerden, The Netherlands

- Our Virtual Holland an adventure in Second Life ([PowerPoint](#) - Video [1-2-3](#))
Gertjan Kaaij, Business innovation manager, ING retail banking, Amsterdam, The Netherlands

Session 4: National Interoperable Fare Management approaches (Top)

Chair: Hans Rat, Secretary General, UITP, Brussels, Belgium

- Calypso specifications to facilitate interoperable approaches ([PowerPoint](#))
Gilles de Chantérac, Chairman of the Calypso Networks Association, Brussels, Belgium
- National Interoperable Fare Management: the ITSO approach ([PowerPoint](#))
John Verity, Head of Compliance and Security, ITSO Limited, UK
- VDV-Core Application – the interoperable standard for eTicket Germany ([PowerPoint](#))
Till Ackermann, Geschäftsführer, VDV-Kernapplikations GmbH & Co. KG , Germany
- The OV-chipkaart project: a successful implementation of Open Architecture ([PowerPoint](#))
Pier Aldershof, Certification Manager, Trans Link Systems

Session 5: Intermodal Transport Control Systems (ITCS) (Top)

Chair: Paolo Zocchi, Director of the Minister, Ministry for Regional Affairs and Local Authorities, Rome, Italy ([Biographical note](#) - [Abstract](#))

- Intermodal Transport Control Systems – just a new name for a well-know instrument? ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))
Jürgen Greschner, Geschäftsführer, INIT, Karlsruhe, Germany
- The DISTEL project: Services and Communication in joint public transport networks. ([Biographical note](#) - [Abstract](#) - [PowerPoint](#))
Claus Dohmen, Bereichsleiter Produktentwicklung Public Transport, IVU Traffic Technologies AG, Aachen, Germany
- New channels for ITCS: the successful Helsinki project ([Abstract](#) - [PowerPoint](#))
Mika Varjola, Head of Unit, WSP LT Consultants LTD, Helsinki, Finland

Workshop B2: UITP Regions (Top)

Moderator: Paul Vorster, CEO, ITS South Africa, Johannesburg, South Africa

- Transport Challenges for FIFA Soccer World Cup 2010 (Biographical note - PowerPoint)

Paul Vorster, CEO, ITS South Africa, Johannesburg, South Africa

- Social Taxi as further development of the Moscow Social Card Project (Biographical note - PowerPoint)

Sergey Snimshchikov, Adviser to General Manager, Moscow Social Register, Moscow, Russian Federation

- Skayo – The Romanian Automated Fare Collection Solution (Biographical note - Abstract - PowerPoint)

Tudor Popescu, Systems Development and Integration Director, UTI Systems Romania - IT&I Division, Bucharest, Romania

Workshop D2: Germany (Top)

Moderator: Berthold Radermacher, Fachbereichsleiter Normung, Forschungs-koordination und VDV –Industriekontakte, VDV, Köln, Germany

- IT infrastructure management systems based on the standard VDV 456 (Abstract - PowerPoint)

Ralf Buchholz, Leiter Fach- und Koordinierungsstelle IDMVU, Wiesbaden, Germany

- Have your data and use it – How to make best use of available data (Biographical note - Abstract - PowerPoint)

Dr. Peter Mott, Business Development Public Transport instead, PTV AG, Karlsruhe, Germany

- How RTI can be integrated in journey planning systems on the base of the VDV 453 and the European standardised interface SIRI (Biographical note - Abstract - PowerPoint)

Hans-Joachim Mentz, General Manager, Mentz Datenverarbeitung GmbH, Munich, Germany

Workshop E2: Italy/Mediterranean (Top)

Moderator: Daniela Carbone, Manager of Technological Innovation Department, ASSTRA, Rome, Italy

- Case Study of Milan (Abstract - PowerPoint)

Bruno Decio, Operations Manager, ATM S.p.A. Milano, Italy

- Case Study of Rome (PowerPoint)

Bruno Corbucci, International Affairs, ATAC S.p.A. Rome, Italy

- Case Study of Trento ([PowerPoint](#))
GianCarlo Crepaldi, General Manager, TT S.p.A. Trento, Italy

- Case Study of Venice ([PowerPoint](#))
Roberto Cerruti, Informations and Telematics Systems Director, ATCV S.p.A. Venice, Italy

Workshop G: Central and Eastern European countries (Top)

Moderator: Tatiana Molkova, Transport Faculty, University of Pardubice Jan Perner, Czech Republic

- Telematics and Transport System - Czech Republic Approach ([PowerPoint](#))
Tatiana Molkova, Transport Faculty, University of Pardubice Jan Perner, Czech Republic

- Quo vadis fare collection systems in the Czech Republic? ([PowerPoint](#))
Vladimir Vojacek, Sales Director, Mikroelektronika, Vysoke Myto, Czech Republic

- Social aspects of electronic ticketing ([PowerPoint](#))
Waldemar Rokicki, CEO / President, EMTAL SPOLKA ZOO, Gdansk, Poland

Closing Session (Top)

- First conclusions of IT-TRANS 2008
Hans Rat, Secretary General, UITP, Brussels, Belgium
Gerald Böse, Managing Director, KMK, Karlsruhe, Germany

- The voice of the Youth Representative of Karlsruhe
