 Session 1
Joint session

> Auditorium,
3rd floor

 11:00
12:30

Public Transport in Seoul

Chair: Kwang Sik KIM, Professor, Sungkyunkwan University, President, Korean Society of Transportation, Korea

Seoul public transit system renewal: Achievements and challenges

- > Seongkil CHO, Professor, The University of Seoul, Korea

An IT perspective on Seoul metropolitan public transportation - Direction and building of Bus Management System (BMS) and Seoul Transport Operation and Information Service (TOPIS)

- > Young Ho KIM, Principal Manager, Samsung SDS SOC Development Unit, Korea

Seoul challenge: Past, present, future for sustainable transport

- > Gyeng Chul KIM, Senior Research Fellow, Seoul Development Institute, Korea

Round table discussions
Lunch and networking

*For delegates
With the kind support of
Samsung SDS*

> Rooms 102-103,
1st floor

 12:30
14:00

14:00
15:30

Session 2A

> Auditorium, 3rd floor

**Modal choices for metropolitan cities:
What modes work best in what circumstances?**

Chair: Hans RAT, Secretary General, UITP, Belgium

Integrating urban transportation

- > LOW Tien Sio, Deputy Chief Executive, Land Transport Authority, Singapore

Technology selection for intermediate capacity transit systems - Finding the optimum light rail solution

- > Paul DIDRIKSON, Director of Marketing and Product Planning, Bombardier Transportation, Canada

From fully automated metro to trolleybus rapid transit: Lyon's balanced choice

- > Bernard RIVALTA, President, Sytral, France

Modal choices for metropolitan cities - The Australian experience

- > Mark Burgess, Director of Transperth, Regional and School Bus Services, Public Transport Authority of Western Australia, Australia

Session 2B

> Room 101, 1st floor

14:00
15:30

**Electronic ticketing:
What's new in electronic ticketing?**

Chair: Tony YEUNG, Chairperson, UITP Commission on Information Technology and Innovation (IT&I), Operations Manager (ISL & TKL), MTR Corporation Limited, Hong Kong

Lessons learned in customising smartcard systems to operator needs: An Australian perspective

- > Mark STREETING, Principal, Booz Allen Hamilton, Australia

ESPRIT technology for Be-In Be-Out Systems

- > Matthias AUGUSTYNIAK, Managing Director, Scheidt & Bachmann, Germany

Remote topping-up

- > Michel BARJANSKY, Head Business Development, Régie Autonome des Transports Parisiens (RATP), France

The ALLFA Ticket in Dresden

- > Torsten GRUENDEL, Group Manager Ticketing, Fraunhofer Institute for Transportation and Infrastructure Systems (FhG-IVI), Germany

15:30
16:00

Coffee break and networking

For delegates *With the kind support of Kukdong Engineering*

& Construction Co., Ltd.

> In front of and in the Exhibition

15:30
16:00

16:00
17:30

Session 3A

> Auditorium, 3rd floor

Financing of public transport systems

Chair: Raymond HUE, Chairperson, UITP Light Rail Division, Vice-President, UITP, President, TCAR / Veolia Transport, France

BOT Project on platform screen doors

- > Hee-Jung CHOI, Senior Advisor, Yujin Metro Communications, Inc., Seoul, Korea

Asset life approach for operational fitness

- > Reindert WESTRA, Chief Executive Officer, Rangkaian Pengangkutan Integrasi Deras Sdn Bhd (Rapid KL), Malaysia

Value capture and diversification of financing

- > Per ALS, Director of Operations, Orestad Development Corporation, Copenhagen Metro, Denmark

Bus reform in New South Wales - The State Transit Authority experience

- > Roger WILSON, General Manager, Planning & Communications, State Transit Authority of New South Wales, Australia

Session 3B

> Room 101, 1st floor

16:00
17:30

Security: How can IT make networks safer?

Chair: Kyung Ho KANG, Chairperson, UITP Asia-Pacific Division, Vice-President, UITP, President, Seoul Metro, Korea

Building a city concept

- > Henrik FRISENBERG, Business Development Manager, VERINT Video Solutions, Germany

IPTS systems at the heart of transport network security

- > Alexandre LAYBROS, Business Development Director, Thales, France,
- > K. M. TSANG, Senior Engineer, MTR Corporation Limited, Hong Kong

CCTV systems: High-level availability concern

- > Philippe BRUNEAUT, Head of Unit, Régie Autonome des Transports Parisiens (RATP), Paris, France

18:30

Welcome dinner

Hosted by the Mayor of Seoul

For delegates and accompanying persons

> **Venue:** Walkerhill Vista Hall, Sheraton Grande Walkerhill

Shuttle meeting point: 18:00 at North Gate, 1st floor,

COEX Convention & Exhibition Centre

18:30

09:00
10:30

Session 4A > Auditorium, 3rd floor

Innovations in rolling stock: rail and bus - Good practices in cooperation between suppliers and operators

Chair: Robert W. HUBER, Chairperson, UITP Industry Division, Vice-President, UITP, Executive Vice President, AESYS - RWH INTL., Germany

Innovative BRT Systems for Asia

- > Bengt HAMSTEN, Chief Executive Officer, MAN Truck & Bus, China

TEOR, the guided bus-based transport system in Rouen

- > Raymond HUE, Chairperson, UITP Light Rail Division, Vice-President, UITP, President, TCAR / Veolia Transport, France

Improving commissioning of metros

- > Hubert de BLAY, President, UITP Industry Steering Committee, Marketing Processes Director, Alstom Transport, France

The development status of urban transit maglev in Korea

- > Kuk-jin KIM, Chief Researcher, R&D Center of Rotem Company, Korea

IPTS Session 4B > Room 101, 1st floor

09:00
10:30

Passenger information: How can IPTS lead to better passenger information?

Chair: Jarl ELIASSEN, Managing Director, Trafikanten Oslo OG, Norway

Turning stations into workspots

- > Ake LINDSTROM, Senior Project Manager, AB Storstockholms Lokaltrafik (SL),
- > Philippe RECHSTEINER, Chairman & VP Business Development, Appear Networks Systems AB, Sweden

Passenger information strategy - A MTR perspective

- > Edmund HUNG, Communications & Software Engineering Manager, MTR Corporation, Hong Kong

BIS/BMS in Korea : Progress and prospects

- > Youn-Soo KANG, Director, Dept. of Advanced Transportation Technology Research, Korea Transport Institute, Korea

10:30
11:00

Coffee break and networking

For delegates *With the kind support of Kukdong Engineering & Construction Co., Ltd.*

> In front of and in the Exhibition

10:30
11:00

11:00
12:30

Session 5A > Auditorium, 3rd floor

Security policy for organizing transport for big events

Chair: John STOTT, Vice-Chairperson, UITP Asia-Pacific Division, Chairman, Public Transport Ticketing Corporation, Australia

Lessons learned from the sarin gas attack and measures for hosting the World Cup

- > Toshiaki KURIHARA, Managing Director, Tokyo Metro Co, Ltd, Japan

Experience in dealing with special holidays from metro system and Taipei 101 building

- > Huel-Sheng TSAY, President, Taipei Rapid Transit Corporation, Taiwan

Event planning hand in hand with public transport

- > Don BLETCHLY, Director (Strategy), Queensland Transport, Australia

UITP Asia-Pacific Working Group - Public transport operator's preparation in tackling epidemic diseases common to Asia Pacific Region: Avian influenza

- > Siman TANG, Station Operations Manager – West Rail, Kowloon-Canton Railway Corporation, Hong Kong

IPTS Session 5B > Room 101, 1st floor

11:00
12:30

Operation management: How can IT improve operation and management?

Chair: Peter HÖFLINGER, Vice-President, UITP, Mitglied des Vorstands, Stuttgarter Strassenbahnen AG (SSB), Germany

IPTS implementation on buses: Real cases of success at SCL Airport

- > Jorge MINTEGUIAGA, Director, ITS Chile, Chile

How to lower costs of data communication and improve on-board IT infrastructure AND avoid that buses look like antenna hedgehogs

- > Tomas GABINUS, CEO and Chairman, Pilotfish Networks AB, Sweden

The intermittent bus lane system: Demonstration in Lisbon

- > Jose M. VIEGAS, Professor, CESUR - Instituto Superior Tecnico, Portugal

12:30
14:00

Lunch and networking

For delegates *With the kind support of Samsung SDS*

> Rooms 102 103, 1st floor

12:30
14:00

13:15
14:00

UITP Session > Auditorium, 3rd floor

Chair: Kyung Ho Kang, Chairperson, UITP Asia-Pacific Division, Vice-President, UITP, President, Seoul Metro, Korea

120 years UITP – What's next?

- > Hans RAT, Secretary General, UITP, Belgium

UITP Asia-Pacific Division

- > Sandy CHAN, Head of Asia-Pacific Regional Office, UITP, Hong Kong

The UITP Family

- > John Cho Chak CHAN, Managing Director, The Kowloon Motor Bus Co. (1933), Hong Kong
- > Bengt HAMSTEN, Chief Executive Officer, MAN Truck & Bus, China
- > Witoon HATAIRATANA, Operations Director, Bangkok Metro Public Company Limited, Thailand

14:00
15:30

Session 6A > Auditorium, 3rd floor

Session 6A

Energy options for the future

Chair: TAN Hup Foi, Honorary Chairman, UITP Asia-Pacific Division, Honorary Vice-President of UITP, Singapore

Re-inventing the wheel - How our transport systems will need to adapt as we move from fossil fuels to renewable energy sources

- > John STOTT, Vice-Chairperson, UITP Asia-Pacific Division, Chairman, Public Transport Ticketing Corporation, Australia

A pilot study to reduce Green House Gases by using alternative fuel in Bangalore Metropolitan Transport Corporation (MBTC) buses: developing a sustainable urban transport system for Bangalore

- > Upendra TRIPATHY, Managing Director, Bangalore Metropolitan Transport Corporation, India

Sustainable mobility and alternative energies: Campagna Trasporti Pubblici's experience

- > Marcello TURRINI, General Manager, Campagna Trasporti Pubblici CTP, Naples, Italy

Alternate fuels and energy experience in Canada

- > Michael ROSCHLAU, President & Chief Executive Officer, Canadian Urban Transit Association, Canada

13:15
14:00

Session 6B > Room 101, 1st floor

14:00
15:30

Electronic ticketing: How to improve customer relationship management thanks to e-ticketing

Chair: Hans Rat, Secretary General, International Association of Public Transport (UITP), Belgium

Data mining for public transport in Singapore - A new dimension using contactless smartcards

- > Silvester PRAKASAM, Head of Fare Systems Group, Land Transport Authority, Singapore

Customer support application using transit data and smart card in Seoul

- > Seong-Joon PARK, Business Partner of Entrue Consulting Partners, LG CNS Co., Ltd., Seoul, Korea

Customer relationship management in Hong Kong

- > Annie LEUNG, Marketing Planning Manager, MTR Corporation Limited, Hong Kong, China

15:30
16:00

Coffee break and networking

For delegates *With the kind support of Kukdong Engineering & Construction Co., Ltd.*

> In front of and in the Exhibition

15:30
16:00

16:00
17:30

Session 7A

> Auditorium, 3rd floor

Marketing of public transport

Chair: LOW Tien Sio, Deputy Chief Executive, Land Transport Authority, Singapore

A new image for bus systems

- > John Cho Chak CHAN, Managing Director, The Kowloon Motor Bus Co. (1933) Ltd., Hong Kong

Marketing a necessity. Why bother?

- > SAW Phaik Hwa, President & Chief Executive Officer, SMRT Corporation Ltd., Singapore

Technologies as a tool for new customer services

- > Patrick VAUTIER, Chairman, UITP Marketing Commission, Head of Marketing, RATP, Paris, France

NightLink – marketing program for Queensland transport's late night services

- > Jane HORNIBROOK, Senior Marketing & Communications Officer, Queensland Transport, Australia

18:30

Official dinner

For delegates and accompanying persons

> **Venue:** Grand BallRoom, 1st floor, COEX Convention & Exhibition Centre
With the kind support of ROTEM and Seoul Metro Line 9

18:30

Speakers' presentations and supporting material from the UITP Asia-Pacific Congress and the IPTS Conference are available to delegates on the Mobi+ at

www.uitp.com/mos
(For member participants – unlimited access)

www.uitp.com/mobi/index.cfm
(For non-member participants – access until 31 July 2006)

Should you need assistance for your access, feel free to contact thierry.marechal@uitp.com (Manager) or gaelle.nevens@uitp.com (Officer)

Session 7B

> Room 101, 1st floor

16:00
17:30

Operation management: How can operations be flexible and efficient?

Chair: Anwar ALNAFISI, Managing Director, Electrical Contracting Co. W.L.L., Kuwait

Integrated traffic management and public transport

- > Peter HÖFLINGER, Vice-President, UITP, Mitglied des Vorstands, Stuttgarter Strassenbahnen AG (SSB), Germany

ITS tools for a new generation of flexible transport

- > Brendan FINN, Senior Consultant, ETTS Ltd., Ireland

Operation management in Tokyo

- > Yasuharu TSUCHIYA, Deputy Head of the Integrated Control Center, Tokyo Metro Co, Ltd, Japan

Autonomous decentralized traffic control for heavy traffic rail stations

- > Soon-Heum HONG, Head, Railway Operations Research Lab., Korea Railroad Research Institute, Korea

UITP will be rewarding 3 organizations for their innovative approaches.

Awards

In the Exhibition ALL visitors will have the opportunity to vote for two categories of awards:

- **The most innovative exhibit award**
- **The most innovative IT exhibit award**

Do not forget to vote when visiting the Exhibition!

The innovation in policy award will be endorsed by the UITP Asia-Pacific Executive Committee.

All Awards will be delivered during the Closing session on Thursday 22 June (11:00-12:00)

09:00
10:30

Session 8A > Auditorium, 3rd floor

Public transport in Korea

Chair: Sunduck SUH, Professor, Hanyang University, Korea

Past and present of high-speed train technology in Korea

- > Jong-Kuk LEE , Director, High-Speed Rail Team, Ministry of Construction and Technology, Korea

Development of driverless rubber-tired wheel AGT systems based on Korean standardized specification

- > Seok-Youn HAN, Head, Urban Transit Engineering Corps, Korea Railroad Research Institute, Korea

Development of environment-friendly public transportation

- > Chang Won CHEONG, General Manager, Commercial Vehicle Product Marketing Team, Hyundai Motor Company, Korea

Seoul metro system: Focused on safety and service improvement

- > Byung Hoon MIN, Director for Engineering, Seoul Metro, Korea

IPTS Session 8B > Room 101, 1st floor 09:00
10:30

Electronic Ticketing: Integration and standardisation: how far are we?

Chair: Claudio Claroni, General Manager, CLUB Italia, Italy

Smartcards - smarter transportation: The Dutch nationwide experience

- > Jurriaan MEYER, Director Central Backoffice, Trans Link Systems, the Netherlands

ITS tools for a new generation of flexible transport in Oslo : Several operators, several suppliers, one AFC system

- > Jorn HANSSEN, Project Manager, Trafikanten Oslo OG, Norway

Unique properties of smartcard infrastructure in Seoul

- > PARK Young Wook, Head, Transport Technology Center, Korea Smart Card Co., Ltd, Korea

10:30
11:00

Coffee break and networking

For delegates *With the kind support of Kukdong Engineering & Construction Co., Ltd.*

> In front of and in the Exhibition

10:30
11:00

11:00
12:00

Joint closing session > Auditorium, 3rd floor

Joint closing session of the 5th UITP Asia-Pacific Congress and Mobility & City Transport Exhibition, UITP International IPTS Conference & IPTS Village

For delegates, exhibitors and accompanying persons

Awards Ceremony

- The most innovative exhibit
- The most innovative IT exhibit
- Innovations in policy

Closing speeches

- > Kyung Ho KANG, Chairperson, UITP Asia-Pacific Division, Vice-President, UITP, President, Seoul Metro, Korea
- > Tony YEUNG, Chairperson, UITP Commission on Information Technology and Innovation (IT&I), Operations Manager (ISL & TKL), MTR Corporation Limited, Hong Kong
- > Hans RAT, Secretary General, UITP, Belgium

12:00

Lunch *With the kind support of Woojin Industrial Systems Co. Ltd* > Rooms 102-103, 1st floor

Post-Congress Tours

08:30
18:10

1) Tour to Busan by KTX (High Speed Rail)

Itinerary:

- COEX
- KTX Riding (Seoul -> Busan)
- Busan Port
- KTX Riding (Busan -> Seoul)
- Seoul Station (with lunch)

* The group will dismiss at Seoul station

Shuttle meeting point: North Gate, 1st floor
Coex Convention & Exhibition Centre

09:00
16:50

2) Optional tour to National Museum of Korea and multicultural street shopping

Itinerary:

- COEX
- Gyeongbokgung (Palace)
- Korean Cuisine Lunch
- Itaewon Shopping
- COEX

Shuttle meeting point: North Gate, 1st floor
Coex Convention & Exhibition Centre

09:00
19:20

3) Post-congress technical tour Korean high speed rail & light rail system (Test Track)

Itinerary:

- COEX
- Riding on Korean high speed train, HSR-350x(350km/h) from Kwangmyeong Station to East Daegu
- Introduction of High Speed Rail Project
- Riding on K-AGT (Korean first light rail transit system) test track in Kyeongsan
- Introduction of the Light Rail Project
- COEX (with lunch)

Shuttle meeting point: North Gate, 1st floor
Coex Convention & Exhibition Centre

Remark:
Only 60 seats are available for the overseas delegates.
Please contact the registration desk if you have not yet registered.

Informations

Travel pass

A travel pass (T-Money Card) will be kindly provided to the delegates and accompanying persons
