Biography Trainer

**Cécile Sadoux, Senior Manager, Business and Human Resources Management,
UITP**

Cécile Sadoux studied law in France, The Netherlands and England and has 2 postgraduate specializations in French public law and in European law and policies. She joined UITP in 2000 and started as manager of the European project Eltis within the association. As from 2001 she became responsible for the UITP Commissions on Marketing, Human Resources and Corporate Management and the Committee of Organising Authorities. She is currently managing the Commission on Business and Human Resources Management and is the coordinator of the International social dialogue.
