

Biography Trainer

Julian Ware, Senior Principal at Transport for London (TfL), United Kingdom

Julian Ware joined TfL in 2007, and has worked since on innovative funding and finance for transport projects in London – including Crossrail 1 and the Northern Line extension, as well as the plans for Crossrail 2. He is now Head of Major Project Funding in the Corporate Finance team. Prior to joining TfL he worked for KPMG on UK and international PPPs. Before that he worked for the UK Strategic Rail Authority and the Department of Transport.
