Hugo Bitouzé, Account Manager, ViriCiti, Amsterdam, The Netherlands

Hugo Bitouzé is Account Manager at ViriCiti – a telematics provider for commercial fleets. Hugo is helping the company to further expand in Europe. All of his clients being located outside of the Netherlands, where ViriCiti is based, Hugo travels a lot to France, Luxembourg, the UK and Spain to visit his clients. He assists transit operators and municipalities in optimizing the use of their commercial fleet by focusing on topics such as energy consumption, maintenance, smart driving and smart charging.
