Jeppe Gaard, CRO Contracts, Movia, Copenhagen, Denmark

As a senior officer at the PTA in Copenhagen, Jeppe Gaard is in charge of the department tendering all public bus services in Copenhagen and the Region of Sjælland. The department is also responsible for contracts concerning demand-driven public transport services, local railways and harbor boat services.

Mr. Gaard has almost 20 years of experience in administration and management of public transport from the local PTA Movia and the national Danish transport authorities.
