Katsuhiko Nishinari, Professor at the University of Tokyo, Japan

Prof. Nishinari received Ph.D. degrees from the University of Tokyo, Japan, in 1995, and became a professor (2009-) at the University of Tokyo. He is a member of Physical Society of Japan, and works as an adviser of Tokyo Olympic Organizing Committee for easing congestion.

He works on interdisciplinary topics in transportation and jamming phenomena (vehicular traffic, pedestrian motion and supply chain, etc.) by using applied mathematics. He has published more than 140 research papers in leading international journals, and wrote several books concerning traffic jam and applied mathematics.
