UITP Academy can assist with a Peer Review or a Training Programme on preparing for unexpected pandemics, managing the response, and developing integrated action plans for the public transport sector.
Topics we can offer:

✅ ORGANISATIONAL PREPAREDNESS

- Understanding how pandemics differ from other hazards
- Service readiness
- Operational readiness
- Staff trainings
- Customer handling procedures
- Communication and awareness

✅ BUSINESS CONTINUITY PLANS

- Suppliers, contractors and subcontractors
- Financial strength
- Organisational resilience
- Service reduction, shutdown or restoration
- Service closures
- Insurance coverage
- Technological resilience
- Coordination and collaboration

✅ INTERNATIONAL BEST PRACTICES AND BENCHMARKING
