Stéphane Kodeck, Managing Director at Transversis, Brussels, Belgium

Graduated in Economics, Stéphane Kodeck (53) spent 19 years working for Unilever, the multinational “Fast Moving Goods Company”. He was based in Belgium and the Netherlands and worked in different areas: Finance, HR, Logistics and General Management, at local and international level. Then he joined the “Mutualités Libres” (“Independent Mutualities”) active in the Belgian Health Sector as an Executive Director Finance, HR and Legal. During 4 years, he was head of the Bus Operation of the STIB (the Public transport company in Brussels).

He was a member of the UITP Bus Committee.

End 2014, he founded “Transversis”, a consultancy firm mainly active in Operational and Change Management and in financial modeling.
