**Lindsey Mancini, Senior Manager – Security and IT in Public Transport at UITP,
Brussels, Belgium**

With a Master's Degree from the University of St Andrews, UK, Lindsey Mancini joined UITP in 2005 where she is responsible for all security-related activities. She manages the Security Commission, made up of security experts from PT operators and authorities, as well coordinating its various working groups and events.

Lindsey is also responsible for UITP's IT-related activities, including managing the IT & Innovation Commission and the IT & Services Industry Committee.
