

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

Guangzhou Baiyun International Convention Center 4-6 September 2025, Guangzhou, China

PROGRAMME AT A GLANCE

Day 0: Wednesday, 3 September 2025

Time	Programme
09:00 – 18:00	Registration
	Guest Sign-in Block No. 3 Main Lobby (G/F)
18:00 – 20:00	Buffet Dinner Block No. 3 Downstairs Hall (G/F)

Day 1: Thursday, 4 September 2025

Time	Programme
08:30 – 12:00	Technical Visit Gathering point: Staircase outside Block No. 3 at 08:30am <ul style="list-style-type: none"> - Group 1 (Bus): Guangzhou FAW Bus Cultural Exhibition Hall + Guangzhou Public Transport New Energy Yanling Industrial Park - Group 2 (Bus): Guangzhou Public Transport Culture Exhibition Hall/Command Center + Ehang Intelligent Equipment - Group 3A (Bus): Autonomous Driving Inspection Site (Guangzhou Tower Autonomous Driving Convenience Line + Ruyue New Energy Industrial Park) - FULL ALREADY* - Group 3B (Bus): Autonomous Driving Inspection Site (Ruyue New Energy Industrial Park + Yangcheng Smart Bus Cultural Tourism Demonstration Line) - FULL ALREADY* - Group 4 (Bus): Tongda Electric Internet of Vehicles Industrial Park + Yuntao Hydrogen Energy, - Group 5 (Rail) - Guangzhou Metro (priority for RAIL members) See travel details in Appendix .1
12:00 – 14:00	Lunch Block No. 3 Downstairs Hall (G/F)
14:00 – 17:30	Opening Session of Guangzhou International Public Transport Expo 2025 (GZ Expo) Theme: "Smart Innovation, Green Mobility" Block No. 3 Oriental Hall (2/F) <ul style="list-style-type: none"> • Leader's Speech • Expo launch, signing, plaque presentation and other ceremonies • A shift from "urban passenger transport" to "smart travel." Zhou Wei, Former Chief Engineer of the Ministry of Transport

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

	<ul style="list-style-type: none"> • Sarawak's public transport developments and advancements in innovative technologies and new energy solutions <i>Minister Dato Sri Lee Kim Shin from Ministry of Transport Sarawak</i> • Research and Application of AI Large Model-Driven Text-to-Image Technology in Urban Planning and Design <i>Zhang Xinchang, Academician of the International Academy of Eurasian Sciences; Professor, School of Geographical Sciences, Guangzhou University</i> • Topic TBC <i>XianJun, CEO of Yuancheng New Energy Commercial Vehicle Group</i> • Integration and Leap: Towards a New Paradigm of High-Quality Integrated Urban Transportation Development <i>Xiao Gaohua, Party Committee and Chairman of CRRC Times Electric Vehicle Co., Ltd.</i> • Topic TBC <i>Stephen Wong, Founder of Skyworth Group and Skywell Group</i> • Leadership Tour of the Exhibition
18:30 – 21:30	<p>Buffet Dinner <i>Block No. 3 Downstairs Hall (G/F)</i></p>

Day 2: Friday, 5 September 2025

Time	Programme	
09:00 – 12:35	APDM & GZ EXPO PARALLEL SESSIONS	
	<p>23rd UITP Asia-Pacific Division Meeting (APDM) Theme: “Co-creating the Future of Asia-Pacific Mobility” <i>Block No. 1, Qinghe Hall (G/F)</i></p>	<p>Guangzhou International Public Transport Expo 2025 (GZ Expo) <i>1/F, Expo Session Rooms</i></p>
	<ul style="list-style-type: none"> • Welcome Speech <i>Mr Mohamed MEZGHANI, UITP Secretary General</i> • Opening Speech <i>Mr Jeremy YAP, UITP Asia-Pacific Division Chair</i> • Welcome speech from host <i>Mr SONG Xiaoming, General Manager, Guangzhou Public Transport Group Co. Ltd</i> • Welcome speech from host partner <i>Mr CHEN Chaohua, Deputy Secretary General of China Urban Public Transport Association</i> • Group Photo • Launch of UITP China Office+ UITP New Member Ceremony 	<p>Forum Parallel Sessions and Exhibition</p> <ul style="list-style-type: none"> • Urban Sustainable Development and Public Transportation Forum • New Energy Application and Industrial Layout Forum • Public Transport Resource Development and Urban Low-Altitude Transportation Forum • Forum on Public Transport Innovation and active mobility Integration Development • Data Circulation and Security Forum <p style="background-color: yellow;">See details in Appendix .2</p>

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

	<ul style="list-style-type: none"> Congress Session 1: The Future of Public Transport in Asia-Pacific: Decarbonising Fleets, Innovating Services & Rethinking Contracting Models Moderate by Ms Carmela CANONICO, UITP Security & Safety Senior Manager Speakers: 1. Mr WANG Dajun, Shanghai Municipal Transport Commission, China 2. Mr Mark SAVELLI, New Lantao Bus Company Ltd, Hong Kong SAR, China 3. Mr Winston TOH, Tower Transit Singapore 4. Mr Ethan MA Yi, Shenzhen Bus Group Co. Ltd, China Congress Session 2: Reimagining Rail in Asia-Pacific: Resilience, Innovation & Integration in the Age of Climate Urgency Moderate by Mr Jeffery SIM, UITP APURP Chair and Group Chief Executive Officer (CEO) of SBS Transit Speakers: 1. Ms Linlin KOU, Beijing Mass Transit Railway Operation Corporation Limited 2. Mr Noriyoshi YAMAGAMI, Tokyo Metro, Japan 3. Mr Sammy WONG, MTR Corporation Ltd, Hong Kong SAR, China 4. Mr Shalabh GOEL, National Capital Region Transport Corporation (NCRTC), India Closing Speech Mr Jeremy YAP, UITP Asia-Pacific Division Chair 	
--	--	--

12:35 – 14:00	Lunch Block No. 3 Downstairs Hall (G/F)			
(13:30 – 14:00)	Exhibition Tour with English			
14:00 – 17:30	PARALLEL SESSIONS			
	49th Asia-Pacific (APC) Committee Meeting [By invitation only] Room 3306, 3/F, Block No. 3	24th Asia-Pacific Urban Rail Platform (APURP) Meeting [By invitation only] Room 3308, 3/F, Block No. 3	15th Asia-Pacific Organising Authorities Platform (APOAP) Meeting [By invitation only] Room 3307, 3/F, Block No. 3	Guangzhou International Public Transport Expo 2025 (GZ Expo) 1/F, Expo Session Rooms
	New mandate team introduction session (14:00 – 14:45)	Theme: “Redesigning Operations and Maintenance” (14:00 – 17:00)	Theme: “Policy Pathways for the 21st Century: Governing Asia-Pacific’s Public Transport Transformation” (14:00 – 17:00)	Forum Parallel Sessions and Exhibition <ul style="list-style-type: none"> Urban electric grid charging, changing

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

	<p>Young Professionals in Public Transport Workshop Room 3306, 3/F, Block No. 3</p> <p>Theme: “Opportunities for Young Public Transport Talents: Harnessing Technology, Digital Innovation, and Sustainability for the Next Generation of Public Transport Leaders” (15:30 – 17:30)</p>			<p>construction & operation Forum</p> <ul style="list-style-type: none"> • Photovoltaic Energy Storage and Vehicle-Grid Interaction Forum • Public Transportation Digitalization and AI Large Model Application Forum • International Public Transport Management and Operation Forum • Vehicle-Road Collaboration and Autonomous Driving Forum <p>See details in Appendix .2</p>
17:30 – 18:30	<p>Networking Cocktail Block No. 1 Lobby Lounge (G/F)</p>			
18:30 – 21:30	<p>Networking Dinner Block No. 3 Downstairs Hall (G/F)</p>			

Day 3: Saturday, 6 September 2025

Time	Programme
08:30 – 12:00	<p>Technical visit</p> <ul style="list-style-type: none"> - Group 6 (Bus): Guangzhou FAW Bus Cultural Exhibition Hall + Guangzhou Public Transport New Energy Yanling Industrial Park - Group 7A (Bus): Autonomous Driving Inspection Site (Guangzhou Tower Autonomous Driving Convenience Line + Ruyue New Energy Industrial Park) - Group 7B (Bus): Autonomous Driving Inspection Site (Ruyue New Energy Industrial Park + Yangcheng Smart Bus Cultural Tourism Demonstration Line) <p>See travel details in Appendix .1</p>

*UITP reserves the right to make amendments to the programme or any related activity at its discretion

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

Appendix. 1 Technical Visit Information

Technical Visit Arrangements on 4th September 2025

Group	Inspection Point	Departure time	Return information	
Group 1	Guangzhou FAW Bus Cultural Exhibition Hall+ Guangzhou Public Transport New Energy Yanling Industrial Park	8:30	Return Back at 11:10, 30 minutes by car, arrive at Baiyun International Convention Center at 11:40 * English translator will be provided for foreign participants	
Group 2	Guangzhou Public Transport Culture Exhibition Hall/Command Center + Ehang Intelligent Equipment (Air-mobility technology provider)	8:30	Depart at 11:20, 50 minutes by car, arrive at Baiyun International Convention Center at 12:10 * English translator will be provided for foreign participants	
Group 3	Autonomous Driving Inspection Site + Ruyue New Energy Industrial Park	A.Guangzhou Tower Autonomous Driving Convenience Line-Ruyue New Energy Industrial Park	8:30	Depart at 11:30, 40 minutes by car, arrive at Baiyun International Convention Center at 12:10 * English translator will be provided for foreign participants
		B.Ruyue New Energy Industrial Park Yangcheng Smart Bus Cultural Tourism Demonstration Line	8:30	Depart at 11:30, drive for 30 minutes, arrive at Baiyun International Convention Center at 12:00 * English translator will be provided for foreign participants
Group 4	Tongda Electric Internet of Vehicles Industrial Park + Yuntao Hydrogen Energy (Liangtian Hydrogen Refueling Station)	8:30	Depart at 11:20, 50 minutes by car, arrive at Baiyun International Convention Center at 12:10 * English translator will be provided for foreign participants	

Technical Visit Arrangements on 4th September 2025- Guangzhou Metro Technical Tour (Mainly for APURP and Rail Members)

Group	Inspection Point	Departure time	Return information
Group 5	Guangzhou Metro Technical Tour	8:30 AM	Depart at 11:20, drive for 10 minutes, arrive at Baiyun International Convention Center at 11:30

Technical Visit Arrangements on 6th September 2025

Group 6	Guangzhou FAW Bus Cultural Exhibition Hall+ Guangzhou Public Transport New Energy Yanling Industrial Park	8:30	Return Back at 11:10, 30 minutes by car, arrive at Baiyun International Convention Center at 11:40 * English translator will be provided for foreign participants	
Group 7	Autonomous Driving Inspection Site + Ruyue New Energy Industrial Park	A.Guangzhou Tower Autonomous Driving Convenience Line-Ruyue New Energy Industrial Park	8:30	Depart at 11:30, 40 minutes by car, arrive at Baiyun International Convention Center at 12:10 * English translator will be provided for foreign participants
		B.Ruyue New Energy Industrial Park Yangcheng Smart Bus Cultural Tourism Demonstration Line	8:30	Depart at 11:30, drive for 30 minutes, arrive at Baiyun International Convention Center at 12:00 * English translator will be provided for foreign participants

***DEPARTURE TIME 08:30, by the staircases outside Front Door of Building 3, Baiyun International Convention Center**

*Availability:

Thursday, 4 September 2025

- Group 1 (Bus): Guangzhou FAW Bus Cultural Exhibition Hall + Guangzhou Public Transport New Energy Yanling Industrial Park
- Group 2 (Bus): Guangzhou Public Transport Culture Exhibition Hall/Command Center + Ehang Intelligent Equipment
- Group 3A (Bus): Autonomous Driving Inspection Site (Guangzhou Tower Autonomous Driving Convenience Line + Ruyue New Energy Industrial Park) - **FULL ALREADY***

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

- Group 3B (Bus): Autonomous Driving Inspection Site (Ruyue New Energy Industrial Park + Yangcheng Smart Bus Cultural Tourism Demonstration Line) – FULL ALREADY*
- Group 4 (Bus): Tongda Electric Internet of Vehicles Industrial Park + Yuntao Hydrogen Energy
- Group 5 (Rail) - Guangzhou Metro (priority for RAIL members)

Saturday, 6 September 2025

- Group 6 (Bus): Guangzhou FAW Bus Cultural Exhibition Hall + Guangzhou Public Transport New Energy Yanling Industrial Park
- Group 7A (Bus): Autonomous Driving Inspection Site (Guangzhou Tower Autonomous Driving Convenience Line + Ruyue New Energy Industrial Park)
- Group 7B (Bus): Autonomous Driving Inspection Site (Ruyue New Energy Industrial Park + Yangcheng Smart Bus Cultural Tourism Demonstration Line)

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

Appendix. 2 Session Details

Urban Sustainable Development and Public Transportation Forum Friday, 5 September 2025 9:00-12:00 Block No. 4 Yangjiang Room

Proposed speech topic	Invited speakers
Collaborative understanding and planning design of urban public transportation and high-quality urban development	Yang Tao, Vice Chairman of the Association, President of Nanjing Urban and Transportation Planning Institute
Several key issues in the integration of multi-mode transportation connections in urban transportation planning	Professor Lu Huapu, Professor and PhD Supervisor at Tsinghua University; Director of the Transportation Research Institute, Tsinghua University
Practical cases and experience sharing of international urban sustainable development and green travel	Councillor Andrew Wines, Chair for Public Transport Brisbane, Transport for Brisbane
The direction of integrated development between urban renewal and transportation	Zhang Guohua, Chief Economist of Shenzhen LayOut Planning Consulting Co., Ltd.; Vice president of China Urban Public Transport Association
The initiatives and approaches for the integrated development of "subway and bus" systems	Dr. Liu Xuejie, Director of the Transportation Planning Institute, Beijing Transportation Research Institute
Integrated Multi-modal Transportation Development for Ningxia's Emerging Regional Hub	Li Ang, Secretary of the Party Leadership Group, Director, and First-Level Researcher of the Transportation Bureau of Guyuan City
Global Practices on Urban Public Transport climate resilience	Carmela Canonico, UITP Security & Safety Senior Manager

New Energy Application and Industrial Layout Forum Friday, 5 September 2025 9:00-12:00 Block No. 4 Foshan Room

Proposed speech topic	Invited speakers
Transportation-Energy Integration Practice and New Trends of Energy Transition in the Greater Bay Area	Dr. Pei Mingyang, Associate Professor and Doctoral Supervisor at the School of Civil Engineering and Transportation, South China University of Technology
Exploration of industrialization paths for methanol fuel vehicles: including technological Breakthroughs, business model innovation, demonstration operations, etc.	Guangzhou Yuancheng New Energy Co., Ltd. (sponsor)
Battery Warranty Extension — A New Pathway to Enhance the Value of New Energy Vehicles	Du Zhiwei, Deputy General Manager of Guangzhou Public Transport Group (GPT) New Energy Development Company
Issuance of the First Extended Warranty Performance Evaluation Certificate for Power Batteries Launch of the Group Standard Project: "On-board Lithium-ion Power Battery Rapid Online Testing and Health Assessment for New Energy Vehicles"	
Multidimensional synergy for realizing battery status-driven safety and performance management of buses	Dr. Zhao Ming, Chief scientist of Guanghua Digital Energy Technology (Guangdong) Co., Ltd.
Green Pulse of Tianjin: The New Energy Revolution and Practice in Public Transportation for the Dual Carbon Era	Tianjin Public Transportation Group (Holding) Co., Ltd
International hydrogen fuel cell vehicle market applications	Zariah Zanziba, Assistant Manager - Hydrogen Power & SCADA (Systems Department), Sarawak Metro, Malaysia
Solid-state batteries and ultra-fast charging technology: Application prospects and commercialization challenges of high energy density batteries in public transportation	EVE Energy/CATL (to be determined)

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

Public Transport Resource Development and Urban Low-Altitude Transportation Forum

Friday, 5 September 2025 9:00-12:00 Block No. 2 Shenzhen Room

Proposed speech topic	Invited speakers
Cultivation of demand and policy guidance for low-altitude application scenarios in the transportation sector	Liu Zhenguo, Deputy Director of the Comprehensive Transportation Research Center and a Principal Senior Engineer at the China Academy of Transportation Sciences, Ministry of Transport
Scenes and prospects of low-altitude traffic	Daizong Liu, Institute for Transportation and Development Policy (ITDP)
Freedom for all under vast skies: Low-altitude economy applications in transport	Zou Peng, Professor of Harbin Institute of Technology
Urban Air Mobility Driving the High-Quality Development of the Low-Altitude Economy	Xue Peng, VP of Ehang
Construction of Low-altitude Economic Industry Ecology	Xie Zhendong, Chief Engineer and Big Data Director of Guangzhou Public Transport Group Co., Ltd
International low-altitude traffic application cases	Batool Madani, PhD in Middle Eastern Studies, UITP
Low-altitude traffic landing case	Professor Zhou Shaorui, San Yet Sun University

Public Transport Innovation and active mobility Integration Development

Friday, 5 September 2025 9:00-12:00 Block No. 4 Dongguan Room

Proposed speech topic	Invited speakers
Cognition, Methods, and Practices of the Modern Active Mobility System	Li Lei, Expert in Urban and Rural Slow Traffic Responsibility, Comprehensive Transportation Research Center, Ministry of Transport Science and Technology Research Institute
From "Disorder" to "Order": New Intelligent Ecosystem of Slow-traffic Integration with Two-wheeled Electric Vehicles	Cao Huaxin, Director, Big Data Center, China Urban Public Transport Association
Development Practices and Reflections on the Integration of Slow-traffic and Public Transport in Beijing	Gai Chunying, Deputy Director, Transportation Planning Institute, Beijing Institute of Urban Planning and Design
Micro Loops + Active Veins: Building an Urban Travel Ecosystem	Jin Hongjie, Product Manager, Hangzhou Jintong Technology Co., Ltd.
Digital Empowerment for Green Transformation: Building a New "Public Transport + Slow-traffic" Integrated Ecosystem	Su Xiaolin, Party Committee Member and Chief Financial Officer, Yinchuan Public Transport Co., Ltd.
Exploring the Sustainable Integration Development of Shared Mobility and Public Transport	Tang Ling, Senior Director, Mobility Industry Development Center, Uber (U.S.)
Integration of Ground Public Transport and Slow-traffic: Concepts and Practices	Jeremy Yap, Senior Director of the National Transport Academy (NTA) at Singapore's Ministry of Transport (MOT)

Data Circulation and Security Forum

Friday, 5 September 2025 9:00-12:00 Block No. 2 Shantou Room

Proposed speech topic	Invited speakers
Key Issues and Key Tasks of Data Security in Smart Transportation Scenario	Liu Yitong, Data Circulation and Security Researcher, National Industrial Information Security Development Research Center
Protection Mechanisms for Data Security in Internet of Things (IoT) Systems	Li Lin, Professor and doctoral supervisor at the School of Cyber Security, Beijing Jiaotong University; The Executive Deputy Director of the Password Application Research Center for the Education Sector under the Ministry of Education
New Paradigm of Data Security Construction Empowered by AI	Yang Huibo, Solutions Director of Transportation Industry, Guangdong Branch of Sangfor Technologies Inc.
Data Value Insights and Data Asset Management Practices	Zheng Binbin, Guangzhou Data Exchange Co., Ltd.

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

Practice of Bus Data Assetization: Exploring the Entire Chain from Confirmation of Rights Registration to Table Entry Service	Yu Lian, Big Data Product Manager for the Transportation Industry, Guangzhou Jiaoxintou Technology Co., Ltd.
Forging a Secure Digital Base, Powering the Future of Smart Public Transport	Zhang Quanwei, Director, Jida Zhengyuan Information Technology Co., Ltd.

International Public Transport Management and Operation Forum Friday, 5 September 2025 14:00-17:30 Block No. 4 Yangjiang Room

Proposed speech topic	Invited speakers
Singapore's Public Transport Operations and Management Experience	Goh Pin Kai, Deputy Head of Bus Operations & Director of Bus Development, SMRT Corporation, Singapore
Lightweight Integrated Bus Body: Creating Value for Bus Manufacturers and Urban Operators	Chen Yuehua, Vice General Manager, AP Vehicles Co., Ltd.
European Public Transport Operations and Management Experience	Paul Tirvaudey, Managing Director, Hong Kong Tramways
International Case Studies of Shared Mobility and the Dimensions of "Mobility 5.0"	Brian Yu, Partner, Arthur D. Little
Resilience and Efficiency in World-Class Transit Operations-Hong Kong Story	Richard Hall, Specialist Public Transport
Public Transport Operations and Management Experience in the Middle East	Anan Al Amri, Head of Sustainable & Alternative Mobility Division, Integrated Transport Centre, Abu Dhabi
BRT Systems – Experience and Development in Curitiba, Brazil	Luiz Alberto Lenz Cesar, CEO CWBus Curitiba
Concepts and Technological Development of Public Transport in China	Chen Chaohua, Deputy Secretary-General, China Urban Public Transport Association

Urban electric grid charging, changing construction & operation Forum Friday, 5 September 2025 14:00-17:00 Block No. 2 Foshan Room

Proposed speech topic	Invited speakers
The inevitability and necessity of building a city-level charging network	Chen Chaohua, Deputy Secretary General of China Urban Public Transport Association
Analysis of hidden costs of charging and battery swapping	Professor Lin Zhenhong, School of Future Technology, South China University of Technology
Ecological integration, Ping An empowerment	Liu Yue, Ping An Property & Casualty Insurance Company of China, Ltd.
Open a new era of intelligent management of new energy -- build a comprehensive intelligent energy management cloud brain	Yu Jiehan, Deputy General Manager, New Energy Development Company, Guangzhou Public Transport Group
Signing ceremony for the Greater Bay Area vehicle charging network Tea break	
The End of Sunk Costs: Unlocking Cost Reduction and Efficiency through Digitalized Operations and Maintenance	Wang Hongwei, Hangzhou Zhongheng Electric Co., Ltd.
Exploration on the Construction of Public Transport Energy Network in Central Urban Areas	Wang Lipeng, Director, New Energy Operations Center, Chongqing Yiman New Energy Technology Co., Ltd.
Battery Health AI Large Model: Empowers Full Lifecycle Safety Management for Commercial Vehicle Battery	Liu Zuobin, Chief of Fujian Nebula Electronics Co., Ltd.
Operation and Customer Acquisition of Public Bus Charging Stations Opened to External Users	Li Qing, Party Branch Secretary & Chairman, Qingdao Chengyun Energy Technology Group
Commercial Applications of City-level Charging Operation Platforms	Lin Xiaodong, Vice President, New Energy Branch of China Urban Public Transport Association; Chairman, Guangzhou Edibonke Intelligent Network Technology Co., Ltd.

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

Photovoltaic Energy Storage and Vehicle-Grid Interaction Forum

Friday, 5 September 2025 14:00-17:30 Block No. 4 Dongguan Room

Proposed speech topic	Invited speakers
Development and Prospects of Energy Storage and New Power Systems	Tao Ye, Renewable Energy Center, Energy Research Institute, National Development and Reform Commission
Battery system technology and platform construction for vehicle-grid interaction—V2G battery technology and closed-loop evaluation	Chen Jun, Chongqing Yiman New Energy
Analysis on Interaction Technology and Commercial Feasibility of Flexible Power Grid and Energy Storage for Urban Public Transport Stations	Hao Weimin, Deputy Director of the Committee for Scientific and Technological Achievement Transformation and Patent Evaluation of the China Energy Research Society
Renewal, Consolidation, and Circulation: Reflections on Improving the Value of Bus Charging Stations Throughout Their Lifecycle	Liu kai, Wanbang Digital Technology Services Co., Ltd. – Operations & Maintenance Manager, South China Region
Tea Break	
Enhancement Strategy for Vehicle-Pile Flexibility Resource Utilization in Vehicle-to-Infrastructure Interaction	Huang Yuping, Guangzhou Institute of Energy Conversion, Chinese Academy of Sciences, Senior Engineer, Deputy Director of Energy Strategy and Carbon Asset Research Center
Application examples of distributed energy storage in public transportation	Zhang Changchun, Member of the Party Committee of Changzhou Public Transportation Group, Chairman and General Manager of Changzhou Changshun Comprehensive Energy Company
Analysis of the current status and trends of integrated photovoltaic, energy storage, and charging development	Mai Wenjie, Secretary-General of the New Energy Branch of China Association of Urban Public Transport

Public Transportation Digitalization and AI Large Model Application Forum

Friday, 5 September 2025 14:00-17:30 Block No. 2 Shenzhen Room

Proposed speech topic	Invited speakers
Promoting the digital transformation of enterprises to empower high-quality development	Xin Renzhou, former inspector of the Industrial Policy Department of the Ministry of Industry and Information Technology
Large models empower urban public transportation systems	Liu Kai, Professor of Dalian University of Technology
AI-Powered Evolution of Bus Safety	Henry Li, COO of Streamax Technology Co., Ltd.
Smart Bus, Smarter Future: Exploring Intelligent Upgrades Across All Bus Service Scenarios	Tao Xuejun, Deputy General Manager of Hangzhou Public Transport Group
Tea Break	
Guangzhou Public Transportation Digital Transformation and Innovation Achievements and Enterprise AI Strategy, Thinking and Transformation Practice	Chang Zhenting, Guangzhou Public Transport Group
Towards Time Series Intelligence in Bus Digitalization	Sun Xi, President and CEO of Wuhan Yuanguang Technology Co., Ltd.
A new ecosystem empowered by digital technology: AI technology drives a new era for the public transportation industry	Gong Qing, General Manager of Tianjin Public Transportation Communication Technology Co., Ltd.
Digital operations in the international public transport industry improve quality and efficiency	Jun Chuljoo, Deputy Director at Metropolitan Transport Commission – Ministry of Land, Infrastructure and Transport
The Qingdao Practice of Driving the Quality Improvement and Transformation of Urban Public Transportation with Digital Technology	Ren Kunxian, Director of the Big Data Center of Qingdao Urban Transportation Holding Group, Executive Director of Digital Technology Company, and Senior Engineer

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

Vehicle-Road Collaboration and Autonomous Driving Forum

Friday, 5 September 2025 14:00-17:00 Block No. 4 Dongguan Room

Proposed speech topic	Invited speakers
Policy interpretation and trend analysis of the coordinated development of new smart city infrastructure and intelligent connected vehicles—Based on the opinions of the General Office of the CPC Central Committee and the State Council on new infrastructure and resilient cities	Zhao Zesheng, Former First-Class Inspector of the Urban Construction Department of the Ministry of Housing and Urban-Rural Development
From “Vehicle-Centered” to “People-Centered”: Technology Reshaping the Future of Urban Transport	Wang Miao, Founder & CEO, Beijing Miaoche Zhixing Technology Co., Ltd.
Challenges and opportunities for collaborative innovation and development of intelligent connected bus routes	Chen Yanyan, Professor and Doctoral Supervisor, School of Urban Transportation, Beijing University of Technology
Feasible Pathways for the Integration of Intelligent Connected Vehicles, Urban Roads, and Urban Building Data	Yang Yuxing, Deputy General Manager, Shenzhen Urban Transport Planning & Design Institute Co., Ltd.
Tea Break	
Deploying Autonomous Buses Across Diverse Asian Cities: A Tale of Three Cities	Anthony Wong, Chief Technology Officer at Moovita Pte Ltd.
From 1.0 Technology-Driven to 2.0 Eco-Collaborative: The Evolution Path of Large-Scale Operation of Urban Bus Autonomous Driving	Wang Pu, Guangzhou Public Transport Group
Large-scale Application of Autonomous Driving in Public Transport	Li Yifan, Vice President, Guangzhou Wenyuan Zhixing Technology Co., Ltd.
Autonomous Driving Robotaxi Empowering Urban Mobility	He Xing, Vice President, Pony.ai; Deputy General Manager, Shenzhen R&D Center

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

PRACTICAL INFORMATION

1. Venue

Guangzhou Baiyun International Convention Center

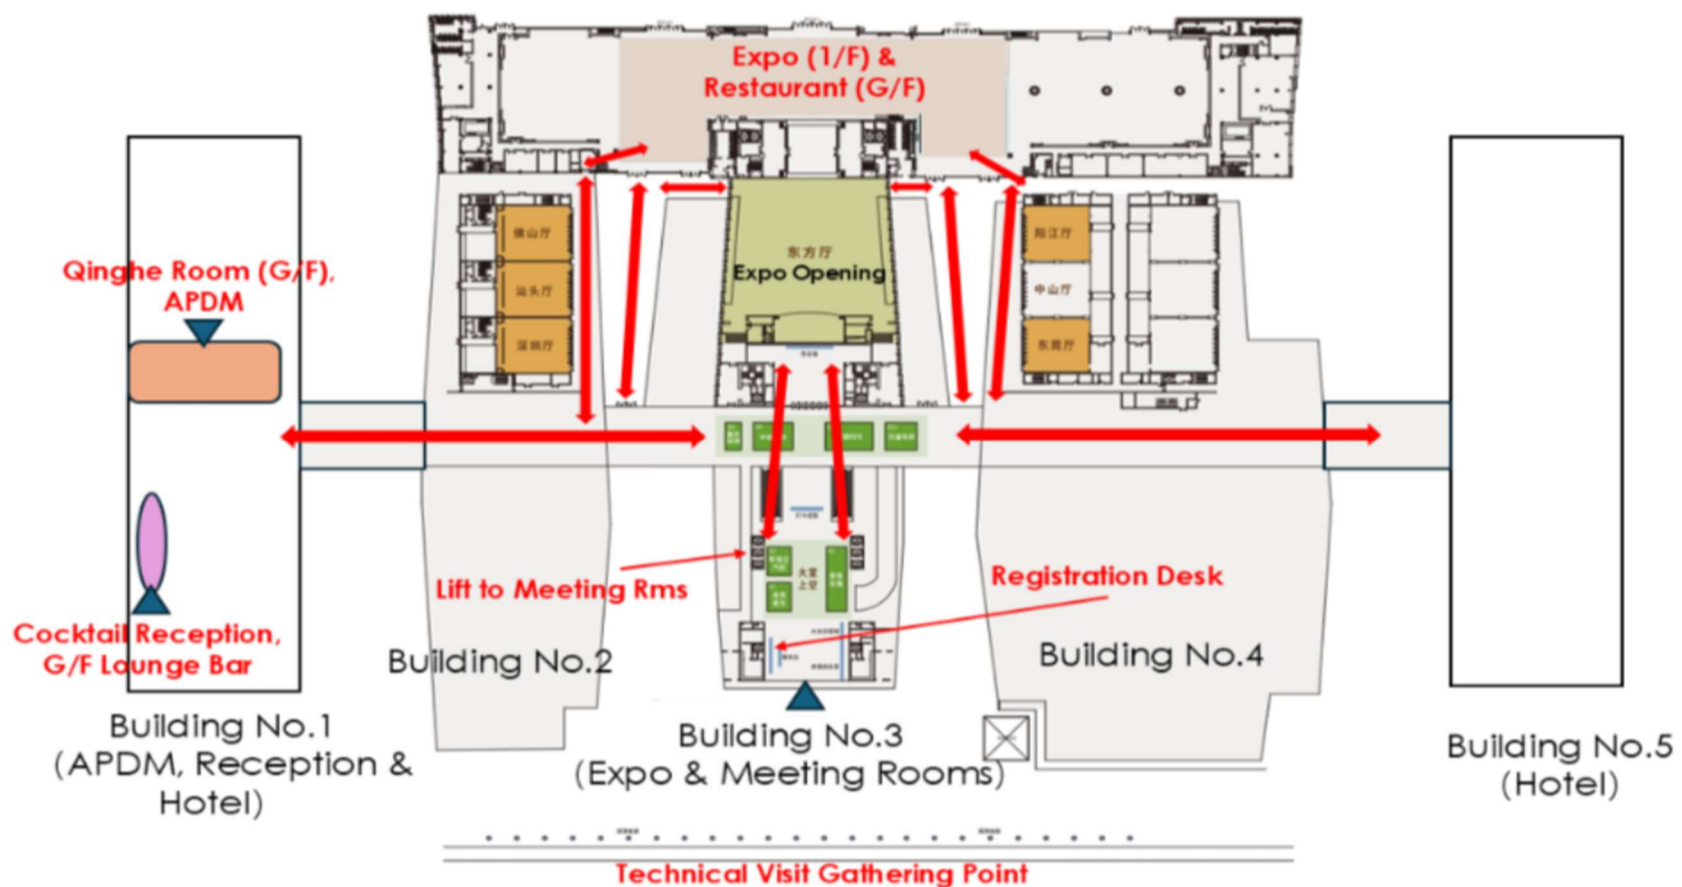

No.1039-1045 of Baiyun South Avenue, Guangzhou, Guangdong Province, China

广州市白云大道南 1039-1045 号 广州白云国际会议中心

Website: https://www.lnhotels.com/brand_df/en/about/index/hotel_id/6.html

Map: <https://j.map.baidu.com/9c/Cxr> | <https://maps.app.goo.gl/z64c1rHgtQAoD4t39>

***Registration Counters are located at Block No. 3 of the Convention Center**

2. Accommodation

Guangzhou Baiyun International Convention Center

No.1039-1045 of Baiyun South Avenue, Guangzhou, Guangdong Province, China

广州市白云大道南 1039-1045 号 广州白云国际会议中心

Website: https://www.lnhotels.com/brand_df/en/about/index/hotel_id/6.html

THE 23RD UITP ASIA-PACIFIC DIVISION MEETING

Booking link

Booking (by email), in email please provide full name on passport plus check-in and check-out dates.

Corporate Rate: 450 RMB/night (Superior Room, single occupancy including breakfast), subject to 15% service charge

3. Travel – from Guangzhou Baiyun Airport to the Venue/Hotel

By Taxi

30-50 minutes depending on the traffic. CN¥80-100

By Metro

Approx. 45 minutes,
CN¥6

Airport North/Airport South Sta. (Line 3, Orange Line)

| Towards Tiyu Xilu Station

Jiahewanggang Sta., change to (Line 2, Blue Line)

| Towards Guangzhou South Railway Station

Baiyun Culture Square Sta. Take Exit E

4. UITP Emergency Contact

Jiayi Wang +86 185 1969 0583 (WeChat & local call)
+86 153 1195 7058 (WhatsApp)

Loris Chan +86 130 4583 1193 (WeChat & local call)
+852 94475772 (WhatsApp)

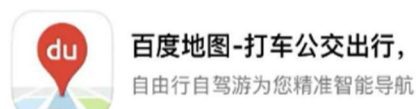

Recommended Apps

To ensure a smooth experience, we highly recommend downloading and setting up the following local apps in advance:

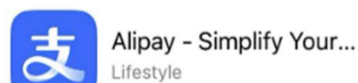

- a. WeChat – Essential for local communication

- b. Amap or Baidu Map – For navigation

- c. Alipay – For payments (please link your credit card before arrival)

★★★★☆ 1.1M Alipay (Hangzho...

- d. Didi – Ride-hailing service (similar to Uber)
